Carty House Happenings

RESIDENTS
--One resident just found out that her refugee hearing was successful. Yeah! --The residents all celebrate, together, when someone gets such great news. --One resident was just offered a full-time job, now that she is a certified Personal Support Worker. Exciting!
--Almost all the women have had dental visits that ranged from cleanings to fillings to extractions. They were so grateful to have that service. Some have never had a cleaning before and are so appreciative!
--Three women found summer jobs.
--All but three will be returning to school.

VOLUNTEERS
--We are thrilled to finally have our office volunteer, Desa, back to lend a hand. We've missed you!
--Our maintenance volunteer has been busy finishing up the front walkway, painting the front porch and installing new porch lights. He'll be working on the eaves troughs next.Thanks Sam the Man!

STAFF
--We will welcome a new part-time staff member this month! She will be managing many of our resident programs as well as our volunteers! Welcome Doninique!

Carty House residents always love celebrating Canada Day and their new home country. This year, they celebrated with a painting party! So lovely!

Giving Tuesday

NOVEMBER 30, 2021

The City of Ottawa had begun lighting the OTTAWA sign in various colours for local non-profits and other organizations. Carty House was on for July 30th! We had a blast telling so many folks about what we do.
One youngster listened, then asked if she could donate $5. So many encouraging words for our residents!

Volunteer Highlight

JEFF
WEEKLY GROCERY SHOPPER

I am a Technical Director at Fullscript, an Ottawa tech company focused on helping people get better. I'm happily married to my wonderful wife, Bronwyn, and we have a Cat (Sophie) and a Dog (Tilda). When I'm not working or volunteering you can find me running the pathways of Ottawa, curling up with a good book or cheering on my Blue Jays!
I had been wanting to find an opportunity to give back for a while, and was lucky to learn about this need at Carty House from my councillors office.
Interacting with the residents and staff has been nothing but positive. This organization really cares about these women.

Donor Highlight

JENNIFER

Believe it or not, I was on the founding Board for Carty House when it was first established! It has been wonderful to continue to support refugee women. I can remember cooking dinner and making scones for them every now and again, contacting organizations and agencies to assist them with employment opportunities, and connecting the them with language instruction. It was such a joy to build these relationships. Some women had children back in their home countries, and I remember, fondly, helping to register these kids for school when they finally arrived in Canada. I am delighted to continue to support Carty House and the home it provides for these women.

Board Highlight

TRINISH PADAYACHEE

I first heard about Carty House through Volunteer Ottawa. As an immigrant woman myself, and as someone with a background in gender and intersectionality, I saw the opportunity to serve on the board as a way to contribute to my new community.

Carty House provides a key service in the Ottawa community for refugee women and I look forward to helping it fulfill this role and raise awareness around the plight of refugees in Canada.

Board Highlight

KYLA HOSIE

When I moved to the Ottawa area, I was looking to get involved in a local non-profit that focused on supporting refugees. I immediately felt connected with the values, mission and objectives of Carty House. I look forward to contributing as a Board member and getting to know the folks within this wonderful community!
